ABOUT THE CONFERENCE

The quality in higher education is an issue of concern for all the stakeholders of higher education. Several authorities have come forward to assess the quality of higher education institute at national and international level. National Assessment and Accreditation Council (NAAC), Bengaluru is one of such popular autonomous body. After implementation of National Education Policy 2020, it has been become mandatory for higher education institutes to be assessed and accredited. Many grants and facilities of Government are available to HEIs only after NAAC accreditation. NAAC has certain fixed parameters distributed into seven criteria. These seven criteria are Curricular Aspects, Teaching Learning and Evaluation, Research, Innovations and Extension, Infrastructure and Learning Resources, Student Support and Progression, Governance, Leadership and Management, and Institutional Values and Best Practice. The present conference is focused on achieving and sustaining quality benchmarks in above criteria, especially after implementation of NEP.
